Dear Friends of PCTV,

When it comes to covering local events and community affairs, **PCTV is the best there is!** Since opening its doors in 2000, PCTV has produced more than 4,000 shows highlighting our community members, government, schools, news and happenings.

In celebration and in crisis, **PCTV responds quickly to keep the community informed.** The station is the linchpin of cultural events like the music fest and the Memorial Day Ceremony. At election time, PCTV is first to broadcast local results. And during the attack on September 11, community members gathered at PCTV to keep informed.

And now with **PCTV76.org, our on-line, on-demand program website,** you can watch favorite shows on your own schedule.

But these are tough economic times. Due to declining support from the cable companies, PCTV expects a significant budget deficit this fiscal year. **PCTV needs to raise more than a third of its budget with private donations from people like you.** Without your support, we will have to close our doors. No lights, no camera, no action!

If you value a local voice, if you enjoy high-quality programming, if you believe that it is crucial for this outstanding community to be well-informed, then **please support PCTV.**

Thank you,

Marion Coughlin
Chairperson
